

LEGO ISLAND II Rough II Script / WIN**30+ seconds****SCENE: After Successful Game Conclusion**

The Brickster steps back against the only substantial piece of wall remaining. He looks left, right and up and down and says:

	VO	Brickster	"I know it doesn't look too good for me now, but watch this..."

He pushes against the wall and a hidden door creaks open a little bit. He pushes again

File	Type	Character	Line
	VO	Brickster	" (grunt) This will take just a moment here. Seems to be stuck a little (grunt)."

Just then Pepper shoots in quick fire mode, a bunch of pizzas that slam against the Brickster and sticks him to the wall. He struggles but stops with a "sigh".

File	Type	Character	Line
	VO	Brickster	"This really doesn't look too good for me, does it?..."

A time delay wipe reveals Pepper in the shuttle with Brickster captured and all gummed (pizzaed) up. The Brickster complains:

File	Type	Character	Line
	VO	Brickster	"Hey! I'm not finished yet! Unfair! Do Over! My shoes were too tight, the dog ate my homework, and I wasn't looking. No fair!!"

Pepper turns and looks at you as a congratulatory fanfare begins

File	Type	Character	Line
	VO	Pepper	"We did it! You and me, pal, we beat the Brickster!"

Scene shakes followed by a blast from the shuttle. The shuttle heads straight towards the viewer and overhead, like a reverse Star Wars opening with the planet shaking and tossing little bricks about in the background.

Suddenly the planet explodes and propels the shuttle forward even faster.
The radio clicks on as Nick, Laura and the Infomaniac congratulate Pepper.

File	Type	Character	Line
	VO	Nick	" (static) Come in, good buddy. We've got the Brickster's room ready for 'em. Over"
		Laura	"We're proud of you!"
		Infomaniac	I thought of an appropriate way to thank you and I came up with this song...ahem, mimimi...ohhh.....(fades) lalalalalla
			(interrupts and cuts off the Infomaniacs' song)
		Nick	" Cut!"

Scene cuts to the jail with the Brickster locked up. Island citizens cheer. All citizens (as much as time will allow) are gathered about the jail chanting "hooray". The Infomaniac is clutching the book, Papa is tossing pizzas, Mama is playing a tune, etc. A grand celebration, as much as time will allow, is in progress.

File	Type	Character	Line
	VO	All citizens available	" HOORAY! HIP-HIP PEPPER!!!!"
